

FAR

Through **Vision '22**, Wooddale Church seeks to impart the hope of the gospel to 700,000 people *Here, Near, and Far* over the next 7 years and to provide a clear pathway to spiritual maturity.

Wooddale Worldwide, the missions arm of Wooddale Church, is helping to lessen suffering and transform communities in the name of Jesus Christ. Churches are planted, the Bible is printed, the hungry are fed, the suffering are cared for, leaders are trained and those without hope are given the message of hope and eternal life found in Jesus.
