

ANNOUNCING THE LORING PARK CAMPUS PASTOR

Trent Palmberg

On December 5, with excitement we announced Wooddale's third multi-site campus in Loring Park @ The Music Box Theatre. There has been incredible enthusiasm building around the spring launch of the campus and we are thrilled to announce our Loring Park Campus Pastor, Trent Palmberg!

Trent grew up at Wooddale Church and was active in the Children, Student, Missions and now Adult ministries. He is a graduate of Vanderbilt University, majoring in Economics and Classics (including language studies of Greek and Latin), was an active leader in campus Christian ministries and also part of a growing urban church in downtown Nashville. Since returning to the Twin Cities after graduation, Trent has worked as a strategy and operations consultant for Deloitte Consulting in downtown Minneapolis and around the United States.

In 2013, Trent met his wife Lindsey (formerly Lindsey Havlik), who grew up at Westwood, one of Wooddale's nine daughter churches. Their paths crossed when Lindsey, a gifted artist, joined the art ministry with The Gathering and they were introduced after a service. A year and a half later, they were married at Wooddale's Edina campus. Lindsey currently teaches fourth grade at Chapel Hill Academy and manages their small creative arts business "Palmberg Print."

Trent said, "Wooddale taught me, in each stage of my life, how to grow in my relationship with Jesus. Wooddale is my home church where I matured in my faith, was baptized, made life-long friends, and served. It is humbling to see how God has been at work in my life, through Wooddale, in preparation for Loring Park. Lindsey and I are honored to lead Wooddale's newest campus. It will be our new church home, our community and the place we have been called to invest in over the coming years. We are excited to see what God has in store for this community. We know he has prepared something greater than we could even imagine!"

“We are so excited to announce Trent Palmberg as our Loring Park Campus pastor. Trent knows Wooddale Church well; he grew up here learning and serving through the tremendous ministries provided by our church. Trent and his wife, Lindsey, live in Minneapolis and their heart is for the city. Having worked in downtown Minneapolis and with his experience in urban ministry and other Christian organizations in Nashville, Trent brings tremendous knowledge, passion and leadership to our new campus in Loring Park. His foundation in God’s Word, love of Jesus, and passion to share the hope of the Gospel is going to make a wonderful addition to the Pastoral Staff and a great choice to lead our newest multi-site campus. Marcia and I both love spending time around Trent and Lindsey. They are a lot of fun!” - Dale Hummel, Senior Pastor

“Trent and Lindsey are both interested in what Wooddale is doing with our multi-site strategy. They joined the Edina Campus and quickly jumped into leadership roles. Trent has a deep heart for those who don’t yet know Jesus. He builds deep relationships with others and is able to walk alongside those who are getting to know God. I am beyond excited that Trent will be our Campus Pastor at Loring Park.”
- Kyle Robinson, Edina Campus Pastor

“They have a heart to reach the world for Jesus. Trent experienced Wooddale’s short-term ministry trips as a Wooddale student. Recently, he and Lindsey have been involved in Southeast Asia missions with Wooddale Worldwide. Trent first participated in a two-week trip, then returned to lead the trip the following year. His passion for helping people get to know God and His Son Jesus is evident and contagious.”
- Richard Payne, Worldwide Pastor

“Even as a young seventh grader, I could tell Trent was not a normal junior higher—he was kind, considerate, funny, responsible, thoughtful, respectful, intelligent, reflective and compassionate. With each interaction I had with Trent, I was more and more impressed with the man God was molding him to be and the man he was striving to be!”
- Heather Flies, Junior High Pastor
